## Factsheet Recruitment Resourcer Level 2

With over 25 years sales and behavioural training experience and 5 years in sales apprenticeships knowledge we believe we are in the leading position to understand what is successful in this sector.

## BENEFITS TO YOU

In today's world of key **scarce skills**, **researching, identifying and attracting** the correct candidates is paramount. Learn the core technical skills and latest techniques of candidate mining, identify passive candidates that your competitors can't find. Set yourself apart from the mainstream who are all fishing in the same pond.

## COURSE CONTENT

The course includes all elements of the Candidate attraction and selection process, including; Modern sourcing techniques, relationship development, using and validating research effectively, compiling and presenting shortlists, Understand KPI's and their uses, Legislation and compliance

## DURATION

12 months
